T News & Apex Educational Services are jointly organising an Educational Fair since last 7 years. Telangana's Golden Education Fair 2021 is a unique platform where young professionals and educationists will come together to generate new opportunities and carve out new & hitherto unexplored avenues that are mutually beneficial.

As one of the largest education fairs in this region, Telangana's Golden Education Fair's timing is apt. At the verge of the result declaration, students make up their mind to pursue a certain career of their choice. Education Fair is the best option for them as both the students and parents can collect vital information on programs and institutions of higher learning to pursue their future education.

A visit to the Education Fair marks a new phase in many students' life. This fair helps them in decision making not only on their choice of the program but also provides a platform for the educational institutes to help them build their future. Telangana's Golden Education Fair thus becomes a strong medium bridging the gap between the students and the institutes.

## ABOUT T NEWS

**T NEWS** A PIONEER in Telugu News television has entered 9th year. It is the most watched and authentic news networks across the globe. T NEWS is the No.1 News channel with incisive and authentic content. The channel targets the Telugu community across the globe.
